HISTORY OF QUAIL RUN RV RESORT

Quail Run RV Resort was established in 1975 by Mr. Charles Lowell. Mr. Lowell and his family owned and operated Quail Run for approximately 10 years. It started out as a small campground with 46 full sites. Mr. Lowell built the reputation over the years as a KOA campground to where people were lined up waiting to get in the park. They would stay in an overflow area until a site would become available. In 1985, the campground was purchased by Mr. Alvin Jorgenson who owned the park for approximately 9 years. In 1994, Frank & Ellen Gilmore and Clement & Ann Watson purchased the park and own and operate it to this day. They have completely renovated all sites in the original park with new water, sewer, electrical lines which were increased to 50 amps, and the number of sites has grown to 292. They have implemented cement patios at each site, paved roads, sidewalks, store and laundromat. Also, a security gate, free cable TV, free WiFi and county water and sewer.

The Grove Shopping Mall area is located around the corner on Oakley Blvd. The new complex Krate is now open. Krate is a shipping container park complete with over 100 businesses, including 27 restaurants and movie theater. The Shops at Wiregrass, located off Bruce B Downs Blvd and The Premium Outlet Mall on State Road 56 are both within a 15 minute drive. Our little town of Wesley Chapel is growing by leaps and bounds, which puts us in the middle of all the action, making Quail Run RV Resort a great place to visit. We all want to thank our past and present guests that have helped us become what we are today.

We look forward to welcoming all the future guests. Drive safe and enjoy your travels and may God guide your path in wherever it takes you.

ACTIVITIES AT QUAIL RUN RV RESORT

Here at the Quail Run RV Resort there is an incredible amount of activities within our park as well as throughout the entire Tampa Bay area and beyond!

We have something for everyone, whether it is swimming in our heated pool, shuffle board, working out in our exercise room, shooting billiards or visiting our clubhouse for a round of ping pong, air hockey, or puzzle building.

There are seasonal activities on the calendar such as local group excursions, on-grounds activities like Corn Hole Tournaments, Bingo Night (usually Tuesday nights), Quilt Making, various craft classes and surprise events.

There are always wonderful sights to see outside the park. We are centrally located with Homosassa Springs, a 5 star attraction, just to the north of us. Then to the south of us, there is Clearwater Beach which was rated America's #1 beach in 2018 by TripAdvisor. Also, there is Fort DeSoto and it's beach, which was called best for families in 2011 by Parents Magazine. Busch Gardens is an easy drive from the RV Resort then to the east is Disney World, Universal Studios and Sea World. To the South East is Bok Tower Gardens which earned the #3 spot on the USA Today 10 Best North American Gardens. The Sponge Docks at Tarpon Springs are due west on the Gulf coast. You can take a step back in time with a visit to Heritage Park next to the Botanical Gardens. Other attractions are EPPERSON Metro Lagoon, Snowcat Ridge Alpine Snow Park, Scream-A-Geddon Haunted House, and Tree Hoppers Aerial Adventure Park

Our wildlife right here in the park is always a great source of entertainment for our guests. From September to May, you can spot our majestic red headed sandhill cranes. In early spring you may enjoy the exciting experience of watching their fledglings go from beautiful orange to their soft gray color. Besides sandhill cranes, there are woodpeckers, hawks (when the ospreys are busy elsewhere), hummingbirds, and what is the park without the squirrels?

We cordially invite you to come for a night, a week, a month, a season, or forever. We would consider it an honor to help in making wonderful memories for decades and generations to come.

HISTORY OF WESLEY CHAPEL

According to the genealogical research done by Michael C. Boyette,

a resident and business owner, Wesley Chapel was originally part of Hernando County settled in the mid 1800's when land was granted to Edward Boyette, Sr., his 4 sons and others in the Armed Occupation Act. Wesley Chapel was named after the church honoring the founder of Methodism, John Wesley. This church stood across from the present site of Double Branch, named for the twin creeks which flowed through his property.

Wesley Chapel had its own Post Office from September 1897 until September 1902, until it was combined with Abbott Station, the Zephyrhills Post Office. Presently, Wesley Chapel has its own Post Office located on Boyette Road. Cash crop farming, logging, citrus and cattle ranching were the principal activities in Wesley Chapel from its founding until the advent of the interstate system in the late 1960's. Beginning as a rural area, Wesley Chapel has blossomed into a modern suburban area, close enough but yet far enough away from Tampa's activities.
